Print this page and the next one together. Page 2 has boxes in the same positions as this text.

Scale check

Measure both rulers. If they read 100 mm and 4 in, the page printed at true size. Each corner cross should sit 10 mm from both edges. A missing cross means cropping.

Ghost detector (ghosting and drum test), page 2 of 2

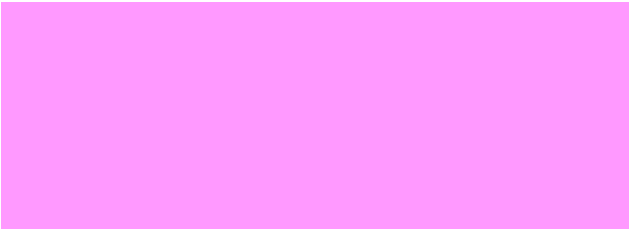

Print at 100% (Actual size) with headers and footers turned off.
