

Rainbow test page

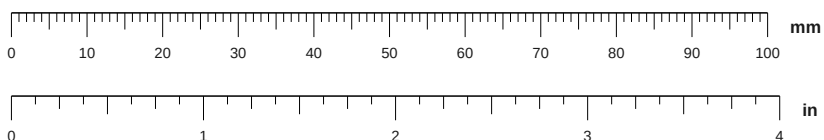

printertestpagelab.com

Print at 100% (Actual size) with headers and footers turned off.

/color-test-page/ · A4

Bands from dark (top) to light (bottom). Each should show the full spectrum.

Scale check

Measure both rulers. If they read 100 mm and 4 in, the page printed at true size. Each corner cross should sit 10 mm from both edges. A missing cross means cropping.
